Don't be a scaredy cat! This 5K and Family Fun Run is a great way to spend the morning for families, corporate, faith and civic groups and teens in need of volunteer hours. **We need helping hands for set up and strike, running kids' activities, cheering on participants and guiding them on the route.**

Proceeds from the event directly benefit OCA's adult vocational training, therapy, and recreation programs. Fundraising support ensures that ALL participants receive a scholarship!
