

In-Kind Partnership Opportunities

We welcome your tricks and treats at OCA's Monster Dash 5K.

When: Saturday, October 17, 2026 7:30 am

Where: Blue Jacket Park, Baldwin Park

OCA's run event benefits services for people with autism and other disabilities. Monster Dash includes three ghostly affairs: 5K, kids' fun run and family stroll (1/4 mile).

The seventh annual event creates connections between the Orlando running community and OCA's families and friends of all ages. This year, we anticipate hosting 400 athletes and friends.

How Can I Help?

Choose one or more of the following ways to support OCA with your generous donation of goods and/or services.

Please submit the participation form using the link or QR code no later than October 1, 2026, and if donating an item(s), please arrange for pick up or delivery to OCA by October 8, 2026.

Ways to Support

1. Donate an item for race bags for participants to take home (or the bags!) Quantity based on registration approximately 250. *Ideas: Snacks, samples, vouchers for services and goods.*
2. Share your skills/professional services to enhance the experience of our guests, including printing services, photography, decor, or entertainment services.
3. Provide snacks or beverages for our participants.
4. Give prizes for our top runners/teams/fundraisers - This is a competitive group and they love a good prize! (*ideas: gift cards, running gear, etc.*)

Benefits

In addition to exposure to this group of participants, you will receive the appropriate recognition tied to the service(s) or item(s).

About OCA

Therapy Department:

OCA incorporates Applied Behavior Analysis (ABA) into all our programs, providing Board Certified Behavior Analysts and Registered Behavior Technicians to work across departments. Specialized services are offered for one-on-one therapies in ABA and mental health counseling. We offer group services for social skills building and early intervention. We service children ages 18 months through adulthood to reduce problem behaviors, build skills, and meet their individual needs for their best quality of life.

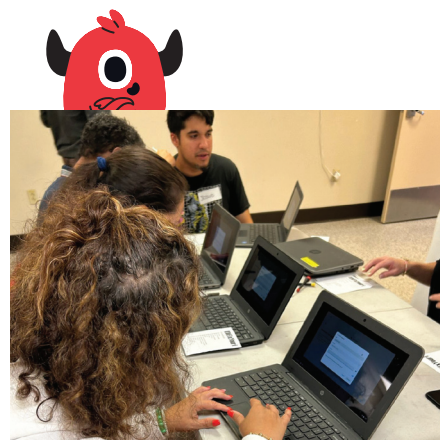

Recreation Program:

OCA takes healthy living seriously and offers programs for pee wee participants (3-7 years), school age participants (8-22 years) and adults (22+). Programs include afterschool recreation, school break camps, Running Man Theatre Company, and Special Olympics training. Engaging our mind and body improves health and decreases challenges of daily living.

Adult Programs:

OCA offers choices in planning the next phase of life after participants age out of school settings. Services include a life skills track, companion program and our new First Flight Academy -- a vocational training/credentialing program that prepares participants for the workforce. Activities are provided both on-site and, in the community, to maximize the opportunity to expand a participant's abilities.

Your partnership keeps our event expenses low so we may maximize the event proceeds to support our programs.
