

Sponsorship Opportunities

'Tis the witching hour to break in your favorite costume before the tricks and treats.

Stop for a spell with your family, co-workers, and friends at OCA's seventh annual run event to benefit services for people with autism and other disabilities.

WHEN: Saturday, October 17, 2026 7:30 am

WHERE: Blue Jacket Park, Baldwin Park

When you participate in the Monster Dash, you give OCA's current and future participants affordable, empowering programming. YOUR support directly benefits the people served in OCA's adult, therapy and recreation programs.

About OCA

Therapy Department:

OCA incorporates Applied Behavior Analysis (ABA) into all our programs, providing Board Certified Behavior Analysts and Registered Behavior Technicians to work across departments. Specialized services are offered for one-on-one therapies in ABA and mental health counseling. We offer group services for social skills building and early intervention. We service children ages 18 months through adulthood to reduce problem behaviors, build skills, and meet their individual needs for their best quality of life.

Recreation Program:

OCA takes healthy living seriously and offers programs for pee wee participants (3-7 years), school age participants (8-22 years) and adults (22+). Programs include afterschool recreation, school break camps, Running Man Theatre Company, and Special Olympics training. Engaging our mind and body improves health and decreases challenges of daily living.

Adult Programs:

OCA offers choices in planning the next phase of life after participants age out of school settings. Services include a life skills track, companion program and our new First Flight Academy -- a vocational training/credentialing program that prepares participants for the workforce. Activities are provided both on-site and, in the community, to maximize the opportunity to expand a participant's abilities.
